Caleb: http://thedailywh.at/2011/03/11/where-is-your-god-now/
me: wow
me: never send me anything again ever
Caleb: http://www.youtube.com/watch?v=gpyRI1j9t6c
me: so, Snake
me: told us
me: in a convo today
me: "Don't Ask About the Weather"
Caleb: That's appropriately cryptic.
me: well
me: actually
me: he gave background
me: contrails
me: unfortunately
me: it checks out
me: so, yeah
Caleb: Contrails, eh?
me: I'm afraid so
Caleb: Are the trolls trolling the trolls?
me: remember that we approached him
me: and if you heard today's conversation
me: you'd take whatever he offers very seriously
me: especially in the context of his background
Caleb: So contrails then, huh?
me: afraid so
me: thing about contrails is you can always put on more clothes
Caleb: So what's in the contrails?
Caleb: Or can I ask?
me: well
me: you should google Don't Talk About the Weather
me: then have fun never sleeping again
me: after you've watched through the first seven or eight parts
Caleb: Is it possible to watch through even one of the parts?
me: yes
me: it's actually very well put together, suprisingly
